

YR 11 PHYSICS Exam Revision Semester 2

1st : Revise the topics using your booklet, STAWA questions and textbook Chapter Review questions.

2nd: Revise topic per topic using the Academic Associates WACE Study Guide. Extra questions on graphical analysis (att) to be done as well.

3rd : Ready to do past exams: Do the Academic associates WACE study Guide exams. Do the exam paper given to you on SEQTA. Solutions also on SEQTA.

4th: Attend tutoring for any areas you are struggling to consolidate or complete. Tutoring is in Room 2.8 either Monday or Wednesday afternoons.

If you have any other questions, please do not hesitate to contact me for clarification.
